Our Motto: "Friends you and me... You brought another friend... And then there were three... We started our group... Our circle of friends... And like that circle... There is no beginning and no end."

The world is round so that friendship may encircle it. The friendship that we make with one another is what makes our chapter so successful. We love to serve our communities with serving others, making quilts and giving to the needy, cleaning parks and leaving places better than we found them. We love making a difference. Belonging to the Good Sams Organization has made us a group that has bonded together in friendship and service. We enjoy campouts, dinners, playing games and having lots of fun and did we mention eating..... We would love to have you come join us.
