## Utah State Director's Message

Dear Good Sam Family,

Well this has been an exciting three months for us. We don't know all that we don't know even yet, but piece by piece we are getting "smarter".

Thank you for all your patience, help, support and kindness which you have shown to us. That does make this assignment worthwhile.

As many of you know this past February we lost a long time friend and leader in Bernie Voorhees. A great tribute written by Jean North is included in this edition of The Salty Sam. On Wednesday May 20 a plaque will be placed in the Ronald McDonald House honoring Bernie and his work over these many years with the Good Sam Organization.

The Samboree is fast approaching. At the April Committee Meeting we were delighted in the preparations that the Chapters are making on their assignments. It really sounds like the extra mile is being done. Just remember to send in any more pictures you have collected for the service men. They do not need to be in uniform, if they don't have a picture in their military uniform, we just want to recognize their service. This is for the decoration committee.

Thank you also for your nominations for the Humanitarian Award, and submitting the names of those deceased for the Memorial. The memorial does go from Samboree to Samboree. There was some confusion if it just was calendar year or fiscal year. It is fiscal year June to May. Many of the Chapters have sent in an estimated list of names for the Dog Tags. If you have additional names, or if you have not yet sent that in, it would help getting those printed up. If you have additional names for the dog tags, please let us know those as well.

The prize committee along with help from Phyllis Deuel has come up with some great prizes to be given away. Remember to turn in your receipts that you spend in Nephi during the Samboree, sign them and put them in the container.

We are looking forward to a great Samboree!. See you in a couple of weeks.

## A Tribute to our Gentle Doughboy

How does one go about saying “Goodbye” to someone who has impacted your life so profoundly and who has touched you to the very core of your existence? Bernie Voorhees was that person. Although small in stature, we can honestly say we all looked up to him.

He was a leader who led by example, not by making you feel like he was your superior and you must follow but that you were his equal. He led you hand in hand all along the way pushing every ounce of goodness from the core of your soul.

He made everything he touched come alive and fulfill a purpose far beyond what it was meant to do. He was the most talented person around, working miracles out of scrap pieces of wood that touched many young and old alike. His craftsmanship was that of a master and his finished products belonged among the finest things made. He was able to take a fine piece of wire and mold it with his hands creating a masterpiece that his wife, and those with whom he shared, wore with pride becoming a treasure that will always be treasured.

His contagious smile let you know that you were accepted by him and if you got past that smile and looked deep into his eyes you knew that you were with one of the finest, purest, kindest, noblest persons you will ever have the privilege of knowing.

Bernie knew how to live life. He played hard and his joy was so contagious to be around. You came out a better person after having spent time with him. His words and wisdom were always uplifting and encouraging.

Bernie was a servant always looking for a way to make someone’s life a little better, or how to touch people in the gentle way that only he could. He never followed the path of others he always made his own path. He had the ability to touch lives and make the world a better place just because he was there.

His shoes will be hard to fill or may we be as bold to say no one will ever be able to fill them. His legacy will go on as long as those he has influenced continue in his way. He has been a true example to all of us of what true friendship is.

Together Bernie and LeeMaye are like salt and pepper, peanut butter and jam, toast and jelly. They completed each other in such a simple way. It was the purest form of love that we have ever witnessed. They radiated goodness and a positive outlook on life. They set an example that you wanted to try and be like in order to get the most out of life just as they have. Our lives are better because of them.

We have enjoyed their little miracles, their laughter, their companionship, and most of all, their entire true sense of the great people they are. We will never say goodbye to our Gentle little Doughboy because he has left his mark so deeply and will always be felt in every kind act we put our hearts into. Our hearts are full and eyes are stained with tears. There will be a void but our memories are full and our lives richer because of this man. We will hold and cherish these memories close to our hearts for the rest of our lives.

Our thoughts, prayers, hugs go to his beautiful companion and best friend LeeMaye. May you find peace in knowing that we are there for you and know we care.

With all our love,  
Utah Deer Sams.

### February

We had 10 rigs travel to the Las Vegas RV Resort for our first official gathering of the year. President Dee Jones said that we had received an "atta-boy" from the State for being the first to develop a web site. The web site has done very well, and continues to upgrade.

### March

We had 12 rigs for our annual trip to Pahrump, NV. The Nevada Treasure is such a beautiful resort, with many game opportunities. We had 2 days of competitions for horseshoes, shuffleboard, miniature golf, washer toss, etc. – even bowling. Few of us qualified for any bowling prizes (in fact, I don't think anyone would be offended if I said that most of us were not very good), but we did all have a good time, with our boisterous cheering section urging us on. Our wonderful hosts also arranged for a TV for a "movie night". We spent our spare time finishing up the table decorations for the luncheon for the Samboree – and finalized the menu. We were all encouraged to attend the Samboree, as many hands will be needed, especially for the luncheon.

### April

We traveled over to Nevada again in April – to Cathedral Gorge State Park. It was our first visit there, but I'm sure it won't be our last. Unfortunately we chose the chilliest week they have had so far this year, but we still enjoyed exploring the area, and the Park was gracious enough to offer us the video room at the Visitor's Center for our socials. The very knowledgeable Park Ranger visited both evenings and answered questions about the Park and the surrounding area.

### February

Our club met at one of our favorite restaurants, Red Lobster. All our members were there except for one couple in southern Utah. We celebrated the birthdays of Dave Milburn, Jerry Rasmussen, and Wayne Worwood. Anniversaries celebrated were Timmer and Donna McKendrick. They have been married for 64 years. Sue Park was the hostess for this meeting. She had the tables decorated and cute favors at each place.

Connie Theobald, our president led a discussion on the future camps for the summer. We all look forward to these fun times

### March

This dinner was held at a fun restaurant, Chow Time. It has a huge buffet where you can pick about anything you want to eat. There was Mexican, Chinese, and American Food. We all sat at one very long table. It was all decorated with center pieces and favors. We have such creative members!

Judy Milburn and Marilyn Nash were the only birthdays, and

no one was married in March. Our president Connie Theobald reminded us of the upcoming State Jamboree. All presidents and wagon masters are to meet on April 11th. Our May camp will be at held in Brigham City.

#### April

This month's dinner meeting was held at a Chinese Restaurant, Sun Lok Yuen in Tooele. Bruce and Janet Bird were the hosts. The tables were decorated with spring baskets of flowers. Each woman received a white ceramic swan with mints in it. The men each received a candy bar. Those having birthdays are: Timmer McKendrick, Norma Worwood, Connie Theobald, and Bob Nash. Robert and Marilyn celebrated their anniversary. The door prize was won by Mary Worwood. As usual we all had a terrific time. It seems no matter where we meet we always have fun. What a great group

~Janet Bird

#### January

We started the year off on a sad note. Larry Stimpson, founder and first president of the Over the Hill chapter died on January 1, 2015. He was an enthusiastic member for many years. His love and friendship will be missed.

#### February

We met twice this month to enjoy good company and fill our stomachs. We dined at Chuck-A-Rama and had breakfast at Jeremiah's. About twenty of us attended each time. Our new members, Paul and Marilyn Peterdorf joined us for breakfast. Welcome aboard!

We were fortunate to participate in a project at the Salt Palace. Twenty of us dished up a delicious luncheon for the Roots Tech Convention. These occasions are always fun.

#### March

Ready for more "get togethers"? Of course! This month we gathered at the Sizzler and the Lucky China. Once again we had about twenty in attendance. While we were at the luncheon, we learned that Bob and Gerry Seele couldn't make it because Bob broke his ankle while riding his ATV. Sorry, Bob. We hope you have a quick recovery.

Thanks to Sharon Wheeler's diligence and hard work, we were invited to serve up soup at the Salt Palace. This was for the Adobe Convention. We are so grateful to Sharon for all she does to find meaningful ways for us to earn money to support our humanitarian projects.

#### April

April was filled with activities. We dined at the Cracker Barrel, Maddox, and Morrelli's. Our business meeting was held at the Senior Center in Washington Terrace. Sharon Wheeler talked

about our service projects and David Grover and Diana Sewell went over our calendar of events for the year. They gave us information for our trip to Moab and our cleanup at South Fork. We also got detailed information about our responsibilities at the Samboree in June.

Our trip to Moab was a great deal of fun. We stayed at a very nice RV park--Spanish Trails RV Park. Our group consisted of 12 rigs. We had four guests attend. Two of them, Mike and Sally McFarland have since joined our chapter. We are so glad they did. We were free to choose which activities interested us. Several couples went 4-wheeling every day. We settled in on Monday and had our traditional hot dog roast that evening. Tuesday was busy. Different hikes were taken in Arches National Park. We also went to Dead Horse Point and Canyons in the Sky Overlook. That evening we ate at Pasta Jay's. On Wednesday we hiked around Newspaper Rock and Hole in the Rock and had a picnic for lunch. That night we gathered for a pot luck dinner followed by games. Thursday we went to the Hollywood Film Museum. After touring the Museum we ate a buffet lunch at the Museum. In the afternoon we drove the La Sal Mountain Loop road. Games were the entertainment for the evening. Friday was pack up and drive home day.

Other noteworthy facts: Bill and Betty Bate have joined our chapter. We look forward to getting to know them. John Sandberg, a long-time justice judge for Clinton and Clearfield has received the Lifetime Achievement Award

~Carolyn Gedris

#### February

We met at the Tremont Senior Center for our dinner meeting. There were 13 of our members present and a guest, David Nance, Tremont Chief of Police. He gave us a presentation on Identity Theft. Identity theft and Internet based fraud are two of the fastest growing areas of criminal activity in the U.S. today. If you have been a victim of Identity Theft, go to <http://www.idtheft.utah.gov> to report the theft.

#### March

Our dinner meeting was held at Walt & Shirley Summers' home in Willard, UT. We had 13 of our members present. We have our monthly summer campouts planned. In May we are going to Chesterfield, ID and participate in a four-hour cleanup in the park as a Good Sam Service Day project. Also, in May our Chapter will cook and serve hot dogs at RC Willey in Riverdale.

## April

We met for our dinner meeting at JC's Country Diner in Elwood. Twelve of our members attended and two guests. We are all excited about attending the Utah Samboree in June. State assignments and Chapter assignments were made. Everyone is very willing to participate and help. We have a fantastic chapter.

**February; March; April;**

I don't know what to write about because

As scribes we have been given the challenge to write something different than what we have been delivering to the editor of the Salty Sam, for your reading pleasure, as in the past we have written about which restaurant we went to and what was discussed in the meetings, or our outings, and it got boring. But it filled the pages. I think now the biggest challenges we face is the assignments we have for the Samboree. Some of us have never had these assignments before and in talking with some of the chapter leaders they are in a quandary about what to do. Just relax and ask the question of those that have done it before and get there in put. It won't be so bad after all. We all need to push for the new members to come and join with us to enlarge our chapters.

I asked this question last time of you readers to let the Editor know what you would like to have put in the paper, like recipes, ideas for getting your rig out of moth-balls in the spring, little hints/ideas that might jog one grays matter, or a better way of doing things. I am not an expert, but I do have a lot of reference material that I have used in the past for my own situation and will pass it on if its wanted. If not let the editor know.

Don't have the recipes, but for the kitchen, use a snap cap (old soda can snap cap) to hold the Tongs together so they don't open in the drawer and make it impossible to get the drawer open. I hate that.

I use a pair of magnets to help line up my 5th wheel when I'm hooking up to get the proper alignment to back straight in. I also use an adjustable rod to measure for the right height of the skid plate, so I don't over-hook or go too high for the pin. These are just a few ideas to maybe get us started to try something different.

Happy-birthday to those who had a birthday in these three months.

Congratulations those that have achieved the longevity of marriage through the years.

We missed the association of Jerry & Stan Griffin and Lloyd and Beverly Hawkins who are in a warmer climate for a few months. Our Vice President Al Andrew is filling in for Jerry and Stan while they are away. We had a fun dinner together this month at Jim's Family Restaurant in American Fork. The food was good, and we had a great time socializing. Most of the members, who are still in town, were there. We talked about our service hours among other important things. We also were so happy to see Lloyd and Eva Wright. Lloyd is recovering from a very serious illness. He seems to be doing great--he even got his humor back! For a service project at the convention center, we had a great turnout. We are looking forward to a campout in May at Little Mill in American Fork Canyon.

We are hoping that these two couple join the Trail Dusters. Lloyd Wright is almost back to his former self after such a difficult health challenge. We enjoyed each other's company and are looking forward to summer activities. We also discussed our service hours for the month. We discussed the upcoming events for the summer.

The weather has been playing games with us this spring. One day it is spring and the next week it is winter. Jerry and Stan Griffin are back from their winter away. Much of the time was spent in making plans for the Samboree. Another couple is sending their papers to join in with us. We are delighted to have these new friends join our fun group.
