Utah State Director's Message

Our assignments of being the state director and assistant director are being approached with much apprehension. Linda and I looked forward to meeting with our regional director for training sessions to learn our duties. After everything was arranged for the gathering, the national Good Sam Organization pulled the rug out from under us by announcing that all regional director positions were eliminated. The training sessions were cancelled and that was all we heard for the next three weeks. We now report directly to the national director who, so far, has communicated with us only once by email to all state directors.

Our former regional Director told us that she thought the reason for eliminating the positions was due to the Good Sam member numbers decreasing. The older members are not being replaced by new members coming aboard.

Our question is why are our numbers declining? Is it because RV owners have all the friends and acquaintances they want and can't handle any more? Is it because there are fewer people owning RV rigs? We certainly doubt that. Maybe we should look inward and see what it is that we are either doing or not doing to attract others to join us.

We think that the last sentence above is the key. So, with that thought in mind, let's review all that we do and try to determine if we can improve upon our meetings and rallies. Our state staff meeting on April 23 will be devoted to that very subject, specifically in regards to our upcoming rally. However, all suggestions from our members concerning our rallies as well as our chapter meetings will be considered and appreciated. If you have any idea that may improve our meetings, hence the desirability to join with us, please do not hesitate to contact us at 801 492-9378 or al.linda@comcast.net.

We think there are ideas among us that will make us gladder (more glad?) that we are part of a great organization, the Good Sams.

CHAPTER NEWS

Beehive Roamers

NOVEMBER

Our Bees stay close to home in the winter. We all met at El Farol for lunch “Some Like It Hot”. We had a really good turn out.

DECEMBER

Our Bees gathered at the Club House of Bill and Jerri Finch for a great Christmas party hosed by Tim and Connie Schieving. We had a traditional turkey dinner catered by Utah Food Services. Connie also provided us with cute Christmas Mice filled with goodies. She always makes such cute things.

JANUARY

The Bees went to Alices Care for our lunch hosted by Millie and Jay Francis. We welcomed in two new member Kathy and LARRY Murphy and we are looking forward to them being with us. .

FEBRUARY

We had a small turnout iat the Golden Corral in Midvale. We really enjoyed the food. We are sad to say that Donna Lloyd has been in and out of the hospital for the last couple of months. We are missing her.

JULY & AUGUST

Our group again spent our gatherings during both July and August at Lutherwood Campground. It is a beautiful little valley on Cedar Mountain – at a cool 7500 ft. elevation, (great break from the heat in St. George) where the deer (and chipmunks) run freely. The deer have become comfortable enough (and feel safe enough) that they come in frequently during the day, but especially evening, to see what kind of treats might

be available. A couple even were brave enough to take a treat from someone’s hand. Chuck and Joanne Walrath hosted the group in July, and Bob and Joyce Clarke hosted in August. The group enjoyed exploring the area, playing games, and as usual a lot of good food.

SEPTEMBER

Since the outdoor temperatures are still very warm in St. George in September, we planned our outing at the Bryce Canyon Pines – again high on the mountain, just outside of Bryce Canyon National Park. Although it really was still pretty warm in St. George, the weather at the Pines was not good – cold, rainy, and even a little snow! Although a few ventured into the Park, they found it completely fogged in part of the time – and still rainy and chilly at other times. Overall, we did really enjoy ourselves though – enjoyed a couple of restaurant meals as a group, and had a variation of a progressive dinner our last day, dividing ourselves into 2 groups, setting up half of the meal at one RV, and the other half at another RV – with the groups switching places mid-way. It worked out well.

OCTOBER

Our October outing was enjoyed at the Four Seasons RV Park in Littlefield, AZ, with Grant and Linda Larsen hosting. The outing was initially planned for Zion National Park, but we found it nearly impossible to get campground reservations there, even with calling 6 months in advance. Although we love it at Zion, we decided that it would probably not be an option for us in the future, because of the difficulty getting reservations. Two couples joined us as guests, and hopefully one of the couples will decide to join our chapter. We will be losing two of our couples at the end of the year due to health issues. At Four Seasons, we had to forego the evening campfires because the Park had just planted new grass, but the group gathered for games a couple of times each day – and of course, we enjoyed a lot of good food. It was the time of year when dues were collected, and we were asked to consider suggestions for our charitable donations for the year, which will be decided upon next month. Linda did an exceptional job of decorating the clubhouse for our gatherings there, even including menus—she prepared a delicious salmon with dill sauces for our Thursday meal.

NOVEMBER

November seemed to be a good month for our Chapter to meet for a fun get together and enjoy a delicious meal at Wallabys in Orem since it was way too cold to go camping.

We held our drawing for each couple to take their turn for our campouts and dinners for 2017. We are also reminded that our chapter would all meet on November 17th to go deliver many quilts to the hospital and lap robes to four care centers. There we took about 50 ski caps to the homeless center and many more to the Provo Mission Home for the missionaries. The Homeless Center people were excited to accept a large check from us to buy turkeys for those in need. As I've mentioned before that our chapter "loves" to help those in need.

DECEMBER

Our chapter officers planned a fantastic fun Christmas party and dinner for us, held at a rented room at the Scera Theatre in Orem. They hired a couple who catered a delicious ham dinner and yummy dessert. We enjoyed exchanging gifts with each other to make it a "real party". We had invited a fellow from the Wounded Warriors club so we could present him with a large check to use with their efforts to help veterans in need. A fun time was enjoyed by all.

JANUARY

The first week of January our chapter braved the cold to meet at Chubby's Restaurant in Pleasant Grove. We were so glad we did, as their food was delicious and plenty of it. We discussed our assignment and theme for the Rally in June. The weather was wicked that night and many of our members had to stay home because of illness, but those who could make it had a wonderful time. It is always fun when our chapter can get together. Thanks to the January committee for a great time.

Happy Hobos

As a chapter for Good Sam's, the Happy Hobos finished out another great year of fun, festivities, service, and out-

door living. Our service efforts have included donation of monies to those identified by committee as having a serious need, participation with Utah Food services fund raising efforts, RC Willey hot dog project, and continued efforts to participate with Good Sam's events at both the State Rally held in Nephi and Fall Tag -Along Rally held in Delta. As part of our festivities, we celebrated our members' birthdays and anniversaries. Our members enjoy the friendship and comradery of each other and eagerly look forward to more fun and adventures for this upcoming year.

NOVEMBER

Our luncheon for the month of November was hosted by Ken and Gwen Unthank at the Golden Corral, Orem. We continued our discussion on those service projects underway. We are busy making quilts and pajamas for the Police Dept. We are continuing our prayers for Grant Pay who is having health problems. We sang happy birthday to Eileen Gonzales, Richard Howell, and Judy Wrigley. We were saddened to lose our special Hobo member Ken Unthank.

DECEMBER

We enjoyed our annual Christmas dinner hosted by our presidency with a great performance by the Walker Brothers. The tables were all colorfully decorated in the festive theme of Christmas. Birthday wishes to Ron Gonzales, Darlene Pace and Marie Howell.

JANUARY

Our luncheon for January, hosted by Jeri and Marcella Walker with help from the Gonzales 'and Hardman's, was held at Jim's Buffet, American Fork. We advanced our planning for the June Parade theme "Great Moments in History". Costumes, decorations, and other ideas were shared to bring together this event at the June Rally, Nephi. We missed some of our members who are enjoying being "Snowbirds". Happy Birthday to Karen Johnson and LaGrand Whatcott.

FEBRUARY

We had a wonderful Valentine's luncheon at Golden Corral in Orem. The luncheon was hosted by Jack and Joyce Phillips. The tables were nicely decorated. Several of our members are still enjoying being snowbirds. We discussed how we were coming along with our plans for the June Rally. We celebrated the members with February birthdays, Pat Hardman, Ipo Kahaialii and Joyce Phillips.

NOVEMBER

Ole! There's nothing like having a good Mexican dinner at Javier's Mexican Food Restaurant; located at 4874 Harrison Blvd in Ogden, with lots of wonderful NUGS to mingle and have fun with. A huge thank you went out to Mary and Richard Wurm for hosting the event. Everyone had an awesome time. The family of George A Ford hosted his 99th birthday at an open house. It was quite the event! Happy birthday George. Our president Cindy Burlison, wanted to have the names for vacant offices by December so the people can be sworn in at January's meeting. Additionally, she wanted the club to start thinking about where they want to go and what they want to do for the coming year.

DECEMBER

A very nice prime rib and chicken dinner was served at Maddox Ranch House, located in Perry. The place looked especially beautiful with Christmas decorations and people dressed up in their festive attire. Jolyn and Cliff McMullin and Pam and Jack Toll hosted the event. Adorable snowmen favors adorned each member's place making the evening even more special. Also, Ella Folsom contributed her famous fudge, cookies and goodies for us to eat, as well. Thanks to all those who helped to make this evening so memorable. Cindy Burlison, President, announced the candidates for the new year to be sworn in at January's meeting.

JANUARY

Our club celebrated the Chinese New Year at The Dragon Restaurant, 303 Washington Blvd Ogden. Hosts and favors commemorating the Chinese New Year were under the direction of Jolyn and Cliff McMullin. That extra touch made the evening! The officers for the incoming new year are as follows: Jolyn McMullin, President, Linda Slade, Secretary and Julie Thomas, Treasurer. They were sworn in by Jim Folsom. (Thanks Jim!) Additionally, a meeting was held later on in the month at Jan and Gary Hyde's home (Thanks for hosting, you guys!) where places to go this summer were presented, discussed and planned. Everybody went away excited, anxious and looking forward to letting the good times roll forth this summer.

FEBRUARY

Thank you to Leslie and Bob Lansford for hosting the dinner at Chuck-A-Rama, in South Ogden. They also

NOVEMBER

The month began with the passing of Jerry D. Rasmussen on November 6th. Our hearts and prayers go to his wife of 66 years, Marilyn Rasmussen. We met at the Sun Lok Yuen Restaurant in Tooele. With everyone present, we decided which members would be in charge of the 2017 month activities. We also nominated members to hold the offices in the coming year.

JANUARY

Our meeting was held at the Bonneville Brewery in Tooele. It was Janet Bird's birthday so we sang to her. It was a pleasant time with friends. There were no anniversaries this month.

FEBRUARY

We met at the Chow Time in West Valley City. Marilyn Rasmussen announced that she and friends made and distributed 40 lap blankets and 40 shirts to West Jordan Care Center. She also donated 300 hats to a local school.

Over the Hill Sams

During the winter months our business meetings are held at the Washington Terrace Senior Center. We get updates on our service projects, sign up volunteers to serve at the Lantern House, learn of future activities and trips, recognize members with birthdays and anniversaries during the month, hear financial standing, and discuss anything else that needs to be addressed. Sometimes we have a guest speaker. We end our meetings with a raffle ticket drawing, refreshments furnished

by our hosts, and chatting with each other.

DECEMBER

In December we held our Christmas dinner/party at Jeremiah's. The tables were decorated with individual nutcrackers and snow globes. They were really cute. We got to take them home as favors! After a fine dinner of salmon or beef tips, our special guest, Tom George, delighted us by playing Christmas music on his keyboard. As is tradition, we held our gift exchange game. There were quite a variety of gifts. We had lots of fun and laughs. It was Mike McFarland's birthday so we sang our birthday wishes to him and the two other December birthday people-Dar Brimhall and Carolyn Gedris. The evening ended with many hugs and good wishes for everyone.

JANUARY

We continue to enjoy our Cooks Night Out twice a month. January found us filling our stomachs and satisfying our needs to beat the blazes of snow and cold by enjoying each others company at Javiers and Chuck a Rama.

FEBRUARY

In February we enjoyed gathering at Cracker Barrel and El Matador. We really look forward to these get-togethers

Our service projects continue to keep our hearts in the right place and our fingers nimble. We continue to serve at the Lantern House and for Utah Food Services whenever the opportunity arises. Knitting hats for cancer patients is an ongoing project.

We are all itching to get on the road again so we're busy getting our rigs ready for a fun filled summer.

Hints "Lack of water is the #1 trigger of daytime fatigue. Drinking 5 glasses of water daily decreases the risk of colon cancer by 45%, plus it can slash the risk of breast cancer by 79%, and one is 50% less likely to develop bladder cancer." Hints furnished by David White. They appeared in the August 2013 issue of the Blue Beret, page 24.

DECEMBER

Our special Christmas dinner/meeting was held at the Tremonton Senior Center hosted by Paul & Arlene Hales and Frederick & Paula Kluss. Our dinner was take-out from the famous Maddox Ranch House located in Perry, Utah. We were entertained by a local women's singing performing group, "Reflections." Each couple brought a useful \$5 gift which we had fun exchanging. Favors of candy in a special folded napkin shaped like a dish were given to each person.

Bob & Cathi Anderson made a video of our activities for the year 2016. At the end of the video were the words announcing us as the Utah Chapter of the Year for 2016. A special thank you was given to Arlene

Hales for organizing the many service projects we did throughout the year which qualified us for this honor.

Brad Farnsworth was installed as our WagonMaster for 2017 and 2018 by President Bob Anderson. All other officers remained the same.

We had 100 percent of our members in attendance plus three guests: Jerry Griffen and Al & Linda Andrew (past and present Utah State Good Sam Directors).

JANUARY

Our dinner/meeting was held at the Tremonton Senior Center hosted by Neil & Dael Poulsen (our newest members). They cooked Tri-tip BBQ with a special seasoning mix they spent years refining. Each couple present were given a bottle of their BBQ seasoning to take home.

We are looking forward to warmer weather and going camping. Several camping sites were discussed for this year.

Sixteen of our nineteen members were present.

FEBRUARY

Again, our dinner/meeting was held at the Tremonton Senior Center hosted by Bob & Cathi Anderson. Pizza, salad, and dessert were brought in. A fun game of "Oldsters, How Well Do You Know Your Mate" was played. It was fun to see just how well we know our spouses' likes and dislikes. Plaques with different quotes were given to those attending.

Our summer campouts were finalized and we are looking forward to having a lot of fun camping together. Our Chapter will be in the parade at the Utah Rally in June. We have several ideas of what "A Great Moment in History" we will represent.

Sixteen out of our nineteen members attended plus two guests.

MARCH

We were fortunate to be able to take a tour of the Humanitarian Center and Welfare Square. We had 14 members that attended. It was a beautiful day and we had a nice lunch at the Sizzler. The tours were very informative and really made us realize the things that we take for granted are not enjoyed by others in different, less fortunate countries so we should be very appreciative of the things that we have. Some of the chapter members picked up quilt packets at the Humanitarian Center to work on and then return.

Our dinner meeting for March was held at the Tremonton Senior Center hosted by Boyd and Doris Giles and Ivy Gilchrist. Every one brought a pot luck dish. Tables were decorated with a potted Primrose to remind us

spring is finally here.

NOVEMBER

We gathered at the Golden Corral in Orem for dinner and meeting. Gloria Despain greeted us with little goblets filled with candy and a paper to list the things we have been thankful for this year. We decided to help a family whose little girl had an accident with a spike her that went into her eye. She has been in Primary Children's Hospital and will require future help. Helen Ashton gave a thought: Being Smarter Than We Think We Are in Times of Stress.

DECEMBER

For our Christmas dinner, we went to the Lone Peak facility. Utah Food Service catered the dinner. The tables were set with beautiful table covers, centerpieces and a loaf of sweet bread for each couple. We exchanged cards and visited. Thought by Gloria Despain: The Meaning of Christmas. Officers were installed for the new year: President Jeanine Greenhalgh, VP Joyce Snow, Secretary Sharlee Spencer, Treasurer Linda Burrell, Historians Linda Saxey and Fawn Christensen, Wagon Master Neil Price and Assistant Randy Christensen. A thank you note was read from the family we donated too last month.

JANUARY

For those of us left here for the winter, we gathered at Chuck-A-Rama in Lehi for the first dinner and meeting of the year. Bruce and Helen Ashton were the hosts with a theme of "Are We Having Fun Yet?" Jeanine Greenhalgh opened our meeting, reminded us of our chapter assignment for the Rally and asked for input on what we can do to make it fun.

February

We took our sweethearts and joined with our friends at Jim's Family Restaurant in American Fork. Host Wally Eklund, with his friend Lorraine Poulson and his daughter Linda Gordon, decorated with hearts, balloons and little cakes for everyone. Debbie Christensen conducted the meeting for Jeanine.

FEBRUARY

For this gathering we met at the Sandy Rec Hall With Nick and Patti Gilbert as our hosts. We had a good turn out of our mem-

bers. We had the 6' foot sandwich, salads and chips. For our entertainment we done the NOT-SO- YOUNG newly weds game. This was with some of the couples that were married the longest, and a few of them did not do so well, they were threatened with sleeping on the couch for a few days. But it was rather hilarious to hear some of there answers. Anniversaries and Birthdays were recognized and sang to.

We have had some illness amongst us and a wellness wish is in order.

MARCH

This months meeting was held at our host club house at Bridelwood villas Condos. With Dennis and Betty Burchell, and Tom and Ethel Jeffs. The dinner was catered by the Midvale Miner diner. A luscious dinner was served. We played some mind twister games dating back to the 50's era of questions, which was a lot of fun trying to remember that far back. Those with anniversaries and birthdays were mentioned and sung to.

APRIL

Our meeting was held at the Golden Coral in Midvale, Not so many were in attendance this time, as there were a few other things going on this date, along with forgetfulness. It was hosted by Bruce and LuAnn Ellis, a new couple that joined last summer. They had some very good games that had to do with RV's and camping, and had prizes also. Our condolences go to the Beebe's for the loss of Don's younger brother.

No Birthdays this month, Congratulations to Marvin and Joan Lee for 57 years of Marriage.

Come on Spring and Camping!!

President Heitman gave out some reminders on various things we need to be reminded of, like the age of the tires on our R.V.'s, It is recommended to change them out every five to seven years. Inspect them every trip for any deterioration like cracks, nails, weather checks, and bulging, and wear differences. Most important is AIR PRESSURE. This will kill a tire very quickly. So maintain full COLD pressure. Your tires will run cooler and be happier.

FEBRUARY

The club met for an afternoon of fun at the Salt Lake RV Show, at the Southtowne Expo Center, organized by Rick and Missy Rhodes.

We wandered in and out of fabulous new trailers, fifth-wheels, and motor homes for several hours. I think a few of us were actually tempted to buy, but I'm not sure if that actually happened. I guess we'll all find out next month.

We all ended up at a local Golden Corral for dinner, and were happy to see our president there. (Jay Hansen) He had recently had a bad fall and broke his hip, or his femur, not sure which, but either one is a bad deal. He was doing great, and good to see him and his lovely wife.

Utah Trail Dusters

NOVEMBER

Our monthly meeting was held at the Pizza Pie Café in Orem. We had a good attendance and enjoyed being together and visiting. This meeting was important because we elected new officers. We will certainly miss the amazing people who served in the past, but we are excited for the new ones that were elected. Val Rasmussen is our new president. The hosts for this evening were the Taylors, the Hallidays and the Hardings. We all are excited about a fun year ahead to serve, camp and just have fun..

DECEMBER

Our annual meeting was hosted at the beautiful home of Al and Linda Andrew. Linda makes a dish to die for, chicken parmesan. She added stuffed baked potatoes to the menu and the rest of our group brought dishes to enhance the beautiful meal. Linda always uses her best china, crystal and silver. Generally, Al takes pictures of us dressed in our finest attire. We also had a fun gift exchange and the annual game of pass the white envelopes—not sure of the real name. It had two new five dollar bills and one had a new ten dollar bill in it. We were told to pass the envelopes to the right or to the left depending on the story which Al was telling. Sometimes it was one space more or less to the right or to the left until he finished his story. Everyone got something, but only 2 or 3 people got more than a 2 dollar bill! We had our business meeting afterwards. The Traildusters made another donation to the Provo Christmas Box in December and several of our group went to help rearrange the Provo Christmas Box distribution center.

JANUARY

Our meeting was held at the Outback Restaurant in Orem. Our new president, Val Rasmussen, conducted our meeting. We had a new couple attending. Stan and Peggy Klemetson. Our host couples were the Rasmussen's and Buckley's with the Harding and the Taylors helping out. The meeting was rather short, but the treasurer, Kathleen Halliday did report on what charities we contributed to. We had a great attendance despite the cold weather we had in January.

FEBRUARY

We had our monthly meeting this month at Jim's Family Restaurant and the Unsickers made the tasty favors for all who attended. We had a good attendance. We were asked by Al Andrew for suggestions on the theme for the upcoming Rally. Suggestions were requested on where we could go for our upcoming outing in April. We were asked to think about someone we would like to submit for the service award this year. Arlene Kendall received it last year. Several people celebrated birthdays this month and the Goulds had their 52nd wedding anniversary. We were also made aware of the Classic movies shown for seniors at the Scera theater each Tuesday.
