

President's Meeting
June 12, 2008

Meeting called to order by Director Glenn Carroll.

Our next event will be the Fall Tag-A-Long to be held at the Fairgrounds in Delta in September. Glenn gave each Chapter President a copy of the Fall Tag registration form and said there would be more available at the Registration desk. There is next to no power available there and so if power is needed, there is the Antelope RV Park and members could pay to stay there. The power will not be dependable enough for breathing machines.

There will be a Dutch Oven Cook-off on Saturday evening and then we will use the food for the Saturday evening meal. Two-thirds of the parking lot is cement and there will be access to the kitchen.

For the Saturday night entertainment, we will have Kerry Christensen. Nephi City is welcome to come! We should put an ad in the paper to invite those who want to come.

Forty-five Samers were honored at the Memorial. It was very touching to see so many balloons go up and fade in the sunset.

It was suggested that at the April and December meetings we have two people from the State Staff sit at each table so the Presidents can meet them and get to know them.

The December meeting will be held again at the Organ Loft on the first Saturday in December. The food choice will be either pork chops or chicken.

Our annual Spring meeting will be held the first Saturday of May in American Fork the same place as last year.

Peggy Anderson, PP & PSO President, encouraged all Chapter Presidents to join PP & PSO. That way they can schedule their campouts so they don't interfere with your chapter's campouts. It is a very fun club.

Glenn thanked those State workers and they were applauded.

Comments were made about the Memorial Program for those who have passed away. It was very touching.
