

Samboree 2009 Chapter Presidents Meeting

Thursday, June 11 8:00 a.m.

Roll call was taken and everyone was in attendance except for Timpanogos Roadrunners. We even had the privilege of having our International Sambassador, Don Woodard attend our meeting. We appreciate him and all his input to help make our Samboree more successful.

Our meeting started with a presentation regarding a cruise fund raiser. The chapters would purchase 16 cabins and receive one free. They would then sell this one cabin for a fund raiser. It was suggested that we do this as a state fund raiser not an individual chapter one. They do all the work, we just set back and relax and enjoy ourselves. More information was available at her booth.

Arts and Crafts booth needed more information given out so more will participate. After the entries have been judged and ribbons and awards given out we need to place the person's name and chapter on their items so everyone can visibly tell who enter what. We need to get back to each chapter to see if they want these items judged or how we can get more participation.

Information booth needs to be better informed. A big map needs to be made of where things are being held. So it can be visible for everyone to see. The people manning the booth need to know more about what going on and how to help when they are asked questions. It would be helpful if each year the most frequent asked questions were listed with the answers to help those asking.

Nomination Committee for State Treasurer for Next Year ; Ed Greinier, Harold Jacklin, Richard Snideman asked each President to hand in their chapters O.K. to nominated and reinstate Lynn Koyle as Utah Good Sams State Treasurer. This will be approved during the State Fall Tag.

Assignments were selected for next year's Samboree:

Wagons West

Beehive Roamers: Breakfast Clean Up – Pinochle
