

UTAH GOOD SAM STATE COMMITTEE MEETING
June 6, 2018
Nephi, Utah

Everyone was welcomed by Al Andrew.

Roll call was taken by Arlene and every chapter was represented.

The Financial Report was given by Lee Gilman.

Motion to accept: Kay B.

Seconded: Jan Ressler

Motion passed.

Letters have been delivered to three nominees for new State Director. They have until 30 June to accept or decline the nomination.

Rally assignments were reviewed.

We have had several chapters indicate that they will be turning in their charters. They are: Olympus Seagulls, Beehive Roamers, No. Utah Golden Spikers and the Color Country Ramblers. We are very sorry to see this happen and would like to see if there is anything that can be done to keep them with us.

There will be no People Mover. Ideas are requested as to what we should do with it. It has to be moved before the end of the Rally. Possibly the Young Farm, Nephi City, the Rodeo grounds people. Anyone in the group interested or know of anyone that would be? Al will talk to Jamie (rodeo grounds manager) to see if the Rodeo people would be interested in it.

Motion: Carma Christensen - Sell the trailer for whatever we can get out of it.

Seconded: Art Harding

Motion passed

The north side of Bldg. 14 is posted for "handicapped parking" for those that need to park close to the building for the activities.

Harold brought up the subject of chapter members without RVs.

Growing chapters vs. losing members. What's the difference? Why are some chapters growing and others quitting? Possibly personal contact, or doing more to include younger people and families would help. We're losing members due to age or lack of wanting to be committed to a camping schedule.

The PP & PSO chapter would like to get more members for their group.

Lineup for opening ceremonies at 6:15. Square dancing and costume contest will follow the ceremonies as well as the ice cream social.

Jan Ressler of the Weber Waffies , which are in charge of the 50/25/25 stated that they have about 250 cards from Chick-fil-A for breakfast sandwiches that will be handed out with each \$5.00 ticket purchase.

The question was brought up about changing the Rally time to possibly May to have cooler weather? There are two more years on the current Nephi contract.

Meeting was adjourned.

Reported by: Arlene Hales, St. Secretary
